You Are Invited To Explore The Catholic Faith

The beauty and richness of the Catholic faith is rooted in the fact that our Church is the only universal Christian Church that has existed since the time of Jesus. During these 2,000 years the doctrines of the Catholic Church have never changed but have only been further examined and more deeply understood by the Church's official teachers, the pope and the bishops united with him.

YOUR WORD IS A LAMP FOR MY FEET... Psalm 119:105 God's Word, the Bible, is truly a lamp. In its pages the light of Christ shines through. His Word brings peace as it dispels the darkness in our lives. Much of what you find in our Catholic way of life is deeply rooted in scripture - our liturgy, our prayers, our call to serve others, and our need for community.

FAMILY VALUES

The Church is the Family of God. We cherish our family and value each other for the many different gifts God has given us. As a family when one member suffers we all suffer; when one member rejoices we rejoice with them. We recognize that while we are called to a personal relationship with God, we should live out our faith in community. One of the greatest joys we experience as family is when we welcome others into this Family of God.

HEAR US, O LORD!

In our deepest sorrows and our greatest joys, when facing an important decision or acknowledging God's blessings, we turn to God in prayer. Prayer gives us strength and courage, brings us peace and draws us closer to God. The beauty of prayer in the Catholic Church is its varied forms of expression and a call to grow daily in a personal relationship with Jesus Christ. Whether in private or in community, through prayer we seek God's will for our lives.

GRACE – THE HIDDEN TREASURE

Grace is a gift from God that helps us respond to his call – a special help that allows us to live according to God's will. Even before our baptism, God gives us grace to draw closer to him. We receive special graces when we participate in the sacraments of the Church. God gives us the grace and power to get us through the tough times. As Catholics, we thank our Father in Heaven for loving us – knowing we need his help to meet the challenges of this earthly life.

HOPE FOR ETERNAL LIFE

Our life on earth is truly temporary. We place our hope not in people or things but in Jesus' promise. He told us if we but believe in him and obey his Father's commands then we will have eternal life. And so we hold on to these words and draw strength from them.
